COMPUTER SCIENCE ENGINEERING STUDENT

EDUCATION

Jaypee University of Information Technology,Solan — Himachal Pradesh
BTech in Computer Science Engineering — 2025 - 2029

Suditi Global Academy ,Auralya — Uttar Pradesh
Class 12 — 2023- 2024
Percentage : 89%

Suditi Global Academy ,Auralya — Uttar Pradesh
Class 10 — 2019 - 2022
Percentage : 89%

SKILLS

Technical Skills

C | C++ | HTML | CSS | Git & GitHub | OOP | Data Structures & Algorithms |

Soft Skills

Communication | Teamwork | Problem-Solving | Adaptability | Time Management | Leadership | Critical Thinking | Creativity | Collaboration | Work Ethic | Attention to Detail

PROJECTS

- Buddy — Local AI Vision & Voice Assistant: Built a privacy-focused AI assistant using Python, YOLOv8, Whisper, and local LLMs for person detection, voice interaction, and natural conversations.
- Lala Ki Dukan — E-commerce Storefront: Developed a lightweight online storefront with product catalog, cart, wishlist, WhatsApp checkout, and admin functionality using HTML, CSS, JavaScript, and Google Sheets.
- CLUBORO — College Club Event Management App: Designed a Flutter-based campus event app concept featuring event registration, wishlists, gamified leaderboards, attendance streaks, and organizer analytics.
- Personal Portfolio Website: Created a responsive developer portfolio using HTML5 and CSS3, featuring custom layouts, glassmorphism-inspired project cards, CSS animations, and responsive styling.
